Notice to Teachers.

A Normal Teachers' Institute for the County of Quay, conducted by Prof. J. F. Dodever and Miss Pearl Baker, for two weeks, will begin on the 19th day of August at the Tucumcari School House.

Teachers' examinations for first, second and third grade certificates will be held at close of Institute.

All teachers desiring to teach are requested to attend, as it is my determination to approve no excuse to teachers residing in the county at the time Institute is in session, unless in case of sickness, certified to by a reputable physician.

A fee of two dollars will be charged to teachers for tuition.

There is a great demand for teachers in the county this year.

Respectfully,

M. RUDOLPH,
